All event dates are confirmed unless noted. Before events, students will receive an announcement (via email and/or snail mail) with details for participation. If an activity will take place away from Church facilities, Church policy and insurance procedures require: each student and a parent to sign a conduct contract; and a parent to complete a permission form with health care information. Some venue operators also require a parent to sign a liability release. These forms will be provided with the activity announcement. If you have any questions contact Youth Group Coordinators John Daniel (301-946-5509) or Kimberly Clarkson (301-587-3051) or Susan Archer or Glenis Bellais at the Church (301-493-8300).
